

## 2026 Rural Access to Primary and Preventive Services (RAPPS) Enrollment Application

The Texas Health and Human Services Commission (HHSC) announces enrollment for the Rural Access to Primary and Preventive Services (RAPPS) program for the program period beginning September 1, 2025, and ending August 31, 2026. This enrollment application will open on Monday, February 3, 2025, at 8:00 a.m. (CST) and close on Monday, February 24, 2025, at 11:59 p.m.

RAPPS is a directed payment program for rural health clinics (RHCs) that incentivizes the provision of primary and preventive services for Medicaid recipients in rural areas of the state. The targeted beneficiaries of this program are adults and children enrolled in STAR, STAR+PLUS, and STAR Kids.

### Participation

To be eligible to participate in RAPPS, in addition to other eligibility criteria described by 1 Texas Administrative Code (TAC) Section §353.1315, a provider must be an RHC as defined by 42 U.S.C. §1396d(l)(1).

An eligible RHC must be one of the following two classes of RHCs:

- 1) A hospital-based RHC, which is an RHC that is affiliated with a hospital; or
- 2) A freestanding RHC, which is an RHC that is not affiliated with a hospital.

To be eligible for participation, an RHC must be located in a service delivery area with at least one sponsoring governmental entity and have provided at least 30 Medicaid managed care encounters in the prior state fiscal year (1 TAC Section §353.1315(d)).

### Payment Methodology

A uniform dollar increase in the form of prospective monthly payments, based on a monthly scorecard issued by HHSC, will be paid to qualifying RHCs via managed care organizations (MCOs). This increase is intended to enhance structures that promote optimal health; promote effective practices for people with chronic, complex, and serious conditions; and use high quality health information to make data driven decisions to improve quality health care.

### Apply for RAPPS

The application should take about 10 minutes to complete. The application must be submitted by 11:59 p.m. (CST) on February 24, 2025. No extensions beyond that due date will be awarded, and any application submitted after that due date will not be accepted.

The contact information provided in this application will be used for further communication. Once the application period is complete, HHSC will process the applications and send follow-up communication via Gov Delivery. For questions regarding the content of the application, please email the question(s) to: [PFD\\_Hospitals@hhsc.state.tx.us](mailto:PFD_Hospitals@hhsc.state.tx.us) with "RAPPS Application" in the subject line.

## Section 2 - Certification

All quality measures must be reported by an RHC as a condition of participation in the program. Detailed information on the proposed SFY 2026 quality measures and requirements is available at <https://www.hhs.texas.gov/services/health/medicaid-chip/provider-information/medicaid-chip-directed-payment-programs/rural-access-primary-preventive-services-rapps-program>.

20. By checking this box, I certify that I understand that as a condition of participation in RAPPS I will be required to report quality data. I understand that if I fail to submit the required data by the deadlines communicated by HHSC, I will be removed from RAPPS and any funds that I have been previously paid for the program period beginning September 1, 2025, (program year 5) will be subject to recoupment. Detailed information on the proposed SFY 2026 RAPPS measures and requirements is available at <https://www.hhs.texas.gov/providers/medicaid-business-resources/medicaid-chip-directed-payment-programs/rural-access-primary-preventive-services-rapps-program>. \*

Certify

21. By checking this box, I certify that I understand that for process and outcome measures, providers must report rates stratified by the following payer types: Medicaid Managed Care (STAR, STAR+PLUS, and STAR Kids), Other Medicaid, Uninsured, and All Payer. I also understand that, if required by CMS, HHSC may require reporting to be stratified by Medicaid managed care program. \*

Certify

22. By checking this box, I certify that I understand that the information I provide may be published at the provider level in interim or final reports to CMS or provided to the public as required by the Texas Public Information Act. \*

Certify

23. By checking this box, I certify that no part of any payment made under RAPPS will be used to pay a contingent fee to an entity that bills on behalf of the RHC, nor does the entity's agreement with the RHC use a reimbursement methodology that contains any type of incentive, directly or indirectly, for inappropriately inflating, in any way, claims billed to the Medicaid program, including the RHC's receipt of RAPPS funds. \*

Certify

24. By checking this box, I certify that if the RHC has changed ownership in the past five years in a way that impacts eligibility for RAPPS, the RHC must submit to HHSC, upon demand, copies of contracts it has with third parties with respect to the transfer of ownership or the management of the RHC and which reference the administration of, or payments from, RAPPS. \*
