

The purpose of this DOI form is for governmental entities to declare the amounts they intend to IGT for use as the state share of RAPPS funding. The amount that is declared is non-binding; however, the declaration amount gives HHSC a valuable estimate of expected IGT amounts across the program. The non-federal share of all CHIRP payments is funded through IGTs from sponsoring governmental entities (SGEs). **This form is due by May 24, 2024.**

Non-Public providers are not SGEs and cannot IGT.

Applicable Texas Administrative Code

Per Title 1 of the Texas Administrative Code (TAC) §353.1315(g)(3): Sponsoring governmental entities will determine the amount of IGT they intend to transfer to HHSC for the entire program period and *provide a declaration of intent to HHSC no later than 21 business days before the first half of the IGT amount is transferred to HHSC.*

(A) The declaration of intent is a form prescribed by HHSC that includes the total amount of IGT the sponsoring governmental entity intends to transfer to HHSC.

(B) The declaration of intent is certified to the best knowledge and belief of a person legally authorized to sign for the sponsoring governmental entity but does not bind the sponsoring governmental entity to transfer IGT.
