

Nursing Facility 2004 Payment Rates

Rates effective September 1, 2003 will remain in effect. There will be no additional increase September 1, 2005.

House Bill (HB) 154 requires the Health and Human Services Commission (HHSC) to ensure that the rate component derived from reported liability insurance costs is paid only to those facilities that purchase liability insurance acceptable to the commission. To comply with HB 154, the portion of the general and administrative rate component derived from reported liability insurance costs has been excluded from the rates listed below. An add-on payment of **\$1.68** per diem will be paid to facilities that verify liability insurance coverage acceptable to HHSC.
