HIV/AIDS Add-On Rates Amounts for Texas Nursing Facility (NF) Medicaid Services
New Payment Rates Effective September 1, 2025

* Bill code information included with this Attachment was provided by Claims Management Division and represents future fee-for-service coding to be used once PDPM LTC rates are adopted and should be added to claims billing system. Similar coding will be applied to NF billing on managed care side.

** Non-Case Mix component is a non-case mix adjusted rate component and includes the Rider 25 (Hold Harmless) add-on amount of \$5.19 per unit of service.

*** Nursing Staff Enhancement add-ons will be posted by 9/1/25, as applicable.

**** PDPM LTC methodology mirrors enhanced reimbursement for serving residents with diagnosed HIV/AIDS under Medicare PDPM. Under PDPM LTC methodology NF providers will be able to indicate HIV/AIDS diagnosis code on a claim to receive daily rate including additional payment for serving this population.

Note: For NF rates effective 9/1/2023 through 8/31/2024, please see the Payment Rate Information at:
