Federal Fiscal Year 2013
(October 2012 to September 2013)

Annual Medicaid Administrative Claiming (MAC) Financial training is mandatory for entities participating in the MAC program. MAC Financial training sessions are conducted by the Texas Health and Human Services Commission (HHSC) Rate Analysis Department (RAD).

The MAC Financial Contact is required to attend an annual MAC Financial training in order to be granted access to the online MAC Financials for federal fiscal year (FFY) 2013. Failure to comply with this requirement will impact the provider's ability to draw funding for MAC. The below link will take you to the HHSC Rate Analysis Department MHMR training information webpage on which you will find details about training requirements, training registration, as well as a list of contacts should you have any questions.
