

Random Moment Time Study (RMTS)

Mandatory Annual Training for

Local Education Agency (LEA)

Federal Fiscal Year 2025

(October 2024–September 2025)

PARTICIPANT LIST Closing #2

Please remember that the federal fiscal year (FFY) 2025 (October 2024 to September 2025) second quarter participant closing (PL) closing date is **December 13, 2024**.

The RMTS Contact must update/certify the PL prior to this closing date. The PL can only be accessed by a RMTS Contact who has completed the HHSC mandatory annual training requirements.

If an entity certified a PL from the previous quarter, that PL information has been carried over to the PL for the current quarter. The RMTS Contact must ensure that any necessary changes, additions, or deletions are entered. The PL must be updated/certified quarterly prior to the closing date using the “no change” option even if there are no changes.

Once the PL closes on December 13th, an entity will be unable to make any other changes for the second quarter of FFY 2025. It is important to remember that for a position to be included for Medicaid Administrative Claiming (MAC) or for the School Health and Related Services (SHARS) cost report, it first must be included on the PL.

If the current PL is not updated, certified, and has not completed their annual RMTS contact training requirements by the deadline date(s), the entity will be ineligible to participate in the SHARS program for the entire 2025 fiscal year and ineligible to participate in the Medicaid MAC program for the quarter.
