

Random Moment Time Study

FFY 2024

(October 2023 – September 2024)

Participant List

Bus Monitor/Bus Aide/Transportation Aide

Please be advised, any position listed as a bus monitor, bus aide and any other transportation aide, is not eligible to add on the participant list (PL) for School Health and Related Services (SHARS), as they do not provide a SHARS eligible direct medical service. The Health and Human Services Commission is issuing this guidance as a result of clarification provided by the Centers for Medicare and Medicaid Services (CMS).

Effective immediately, each district is required to remove any participant or position listed as a bus monitor, bus aide or any other transportation aide from the PL. The third quarter PL for federal fiscal year 2024 (FFY24) is currently open, and any participant and/or position (including vacant positions), listed under these specific job titles, must be removed before the PL closes on Friday, March 08, 2024.

Failure to remove participants and these positions from the participant list may increase the number of moments coded as 'non-reimbursable' within the statewide time study calculation.
