## **Background**

HHSC is responsible for the reimbursement determination functions for the Texas Medicaid Program. Proposed rates are calculated using established methodologies that conform to the Social Security Act and related federal regulations, the federally approved Texas Medicaid State Plan or Medicaid waivers, all applicable state statutes and rules, and other requirements. HHSC reviews the Medicaid and Non-Medicaid reimbursement rates for all LTSS services every two years. These biennial reviews result in rates that are increased, decreased, or remain the same. The reviews are conducted to ensure that rates continue to be based on established rate methodologies.

## **Methodology**

The specific administrative rules that govern the establishment of the fees in this proposal were calculated following Title 1 of the Texas Administrative Code (TAC) Section 558.880, relating to Providing Hospice Care to a Resident of a Skilled Nursing Facility, Nursing Facility, or Intermediate Care Facility for Individuals with an Intellectual Disability or Related Conditions.
