Rider 15(b)(4) – Survey Data Summary

The survey data collected by the Texas Health and Human Services Commission (HHSC) is intended to provide oversight and monitoring of the use of local funds in the Medicaid program. This data includes but is not limited to the following elements:

- Sources of local funds available to and used by local governmental entities (LGEs) for intergovernmental transfers (IGTs) and certified public expenditures (CPEs).
- The amounts of Mandatory Assessments paid by non-public hospitals to governmental entities that administer a local provider participation fund (LPPF).
- Rate, frequency, and amount of each LGE's mandatory assessments of the non-public hospitals in their LPPF jurisdiction.
- Administrative, Contract, and Non-Contract Expenses and Amounts collected and used by LGEs that administer an LPPF.
- Each LGE's financial accounts related to their LPPF.
- Programs supported by LGEs and the amounts contributed via IGT for each program.
- Relationships between LGEs and the non-public hospitals that the LGE supports.
- Relationships between LGEs and the non-public non-hospital providers that the LGE supports.
