Enrollment Contract Amendment Instructions for the Open Enrollment Period for Fiscal Year 2022 Attendant Compensation Rate Enhancement (July 1, 2021 to July 31, 2021)

In response to direction from the 81st Texas Legislature, the Health and Human Services Commission (HHSC) Provider Finance Department (PFD) adopted rules at Title 1, Texas Administrative Code (TAC) §355.112 to establish procedures for providers of programs for persons with intellectual or developmental disabilities (IDD) to obtain additional funds for increased attendant wages, benefits/insurance, and mileage reimbursement. As per these rules, IDD program providers who choose to participate in the attendant compensation rate enhancement program and receive additional funds must demonstrate compliance with enhanced spending requirements. For providers who choose not to participate in the enhancement program, the attendant compensation rate component will remain constant over time, except for adjustments necessitated by increases in the federal minimum wage and/or legislative appropriations.

GENERAL ENROLLMENT INSTRUCTIONS

All providers contracted to HHSC for eligible services received an Enrollment Notification or an Enrollment Limitation Notification. Both notifications are available on this website listed below for your reference:

A properly completed ECA must:
