

**ARPA HCBS Provider Retention Payments Compliance List
as of 2/13/2023**

This list includes only provider agencies. Consumer Directed Services (CDS) employers are not included in this list due to sensitive information that is utilized as the identifier for acceptable submissions. If a CDS provider would like to confirm compliance, please contact pfd-ltss@hhs.texas.gov.

The list is based on billing data for eligible services as of 11/01/2022 and attestation and report submissions received as of 2/9/2023. The compliance list will be updated every 14 calendar days.

The attestation, initial, and final reports are due 30 calendar days after the end of the federally declared COVID-19 Public Health Emergency (PHE). The official PHE notifications can be viewed here (<https://aspr.hhs.gov/legal/PHE/Pages/default.aspx>). If the deadline falls on a weekend day, national holiday, or state holiday, then the deadline will fall on the following business day.

Note:

- * Provider's Name is a Legal Name registered with CMS (<https://npiregistry.cms.hhs.gov/>).
- ** Zip code represents location associated with provider's NPI based on CMS NPI Registry data (i.e. the mailing address may not represent where the services are provided).
- *** Individual Healthcare Provider stands for an NPI with Entity Type 1 (solo practitioner).
