

HHSC Provider Attestation

Temporary COVID-19 rate increases for Nursing Facilities (NF) and the Home and Community-Based Services (HCS) Waiver Program effective April 1, 2020.

The payment rate add-ons for the HCS waiver only apply to providers delivering in-home day habilitation services to persons with intellectual disabilities or related conditions residing in three or four-bed group homes and receiving Supervised Living or Residential Support Services. These rate increases will apply to the current day habilitation rates so that providers delivering services in group homes can maintain hourly direct care staff wages due to reduced client to staff ratios.

NF providers may utilize the additional funding for COVID-related expenses; including direct care staff salary and wages, personal protective equipment (PPE), and dietary needs/supplies. As it relates to direct care staff salary and wages, NF providers may only use the additional funding to increase staff compensation through reimbursement of overtime or lump sum bonuses, including bonuses for hazard pay, or other methodologies that will not result in future reductions in hourly wages when the temporary rate increases are discontinued.

Per TAC 355.205 - Emergency Rule for Emergency Temporary Reimbursement Rate Increases and Limitations on Use of Emergency Temporary Funds for Medicaid in Response to Novel Coronavirus (COVID-19), HCS and NF providers receiving increased funding associated with add-on payments for COVID-19 must submit an attestation affirming that the rate increases will be used only in the manner prescribed above. HCS and NF providers who receive add-ons but fail to complete the required attestation will be subject to recoupment of the associated payment add-ons.

[The attestation form can be found here. Please utilize Chrome \(Preferred Browser\), Firefox or Safari.](#)

*The following is a list of Home & Community Based Service (HCS) providers who have submitted the requested attestation as of **September 30, 2020**. The deadline to submit the attestation is **September 30, 2020** and HHSC will be recouping the rate add-ons if attestation is not received.*
