## **NOTICE**

Federal Fiscal Year 2012  
Independent School Districts  
Medicaid Administrative Claiming Financial Training

Beginning with federal fiscal year (FFY) 2012 (October 2011 to September 2012) and each FFY thereafter, the Independent School Districts (ISD) Medicaid Administrative Claiming (MAC) financial training will be held separate from Random Moment Time Study (RMTS) training.

In order to receive credit and access to the online MAC financials for FFY 2012, attendance at MAC financial training is mandatory. A separate schedule with the MAC financial trainings will be distributed to all primary and secondary MAC financial contacts this month and will be published on the MAC and Fairbanks websites. One primary contact is required to receive MAC financial training, but it is highly recommended that each district have a primary and secondary trained contact to ensure proper and timely reporting.

Note: "MAC overviews" may be presented at other related training sessions; however attendance of the mandatory "MAC Financial Training" is the only training that will grant the ISD's MAC Financial Contacts access to the online MAC financials for FFY 2012.

If you have any questions, please contact the Texas Health and Human Services Commission (HHSC) MAC Unit at [MAC@hhsc.state.tx.us](mailto:MAC@hhsc.state.tx.us) or at 512-491-1802.
