Final Reminder

Mandatory Annual Training for Independent School Districts
Medicaid Administrative Claiming

Federal Fiscal Year 2013
(October 2012 to September 2013)

Annual Medicaid Administrative Claiming (MAC) Financial training is mandatory for all independent school districts (ISDs) that wish to participate in the MAC program. MAC Financial training sessions are conducted by the Texas Health and Human Services Commission (HHSC) Rate Analysis Division (RAD).

The MAC Financial Contact is required to attend an annual MAC Financial training in order to be granted access to the online MAC Financials for federal fiscal year (FFY) 2013. Failure to comply with this requirement will impact the ISD's ability to draw funding for MAC. Please refer the follow link for information regarding MAC Financial training requirements and registration:

****The last MAC Financial training for FFY 2013 is on April 23, 2013.** This is the last opportunity for MAC Financial Contacts to receive training credit and be granted access to the online financials for FFY 2013. HHSC strongly recommends for the district to have at least two trained MAC Financial Contacts to ensure compliance should employee turnover occur.**

The training for MAC Financial Contacts is separate from the training for RMTS Contacts and SHARS contacts. Although an overview of the MAC Financials is provided during the RMTS training and SHARS cost report training, it is mandatory for the MAC Financial Contacts to attend the separate MAC Financial training in order to be granted access to the online MAC financials for FFY 2013.

If you have any questions, please contact the HHSC MAC Unit at MAC@hhsc.state.tx.us or at 512-491-1802.
