## **Medicaid Administrative Claiming**

### **FINAL TRAINING OPPORTUNITY Federal Fiscal Year 2014**

To accommodate the providers that were unable to attend training due to inclement weather conditions, Health and Human Services Commission (HHSC) is conducting an additional Medicaid Administrative Claiming (MAC) Financial Initial training. The training is scheduled for **Wednesday, March 19**, and will allow contacts the opportunity to meet the necessary training requirements for federal fiscal year 2014 (October 1, 2013 to September 30, 2014).

Annual MAC Financial training is mandatory for all independent school districts (ISDs) that wish to participate in the MAC program. Failure to comply with this requirement will impact the ISD's ability to draw funding for MAC. HHSC strongly recommends districts have at least two trained MAC Financial Contacts to ensure compliance should employee turnover occur.
