Health and Human Services Commission (HHSC) recommends that each independent school district (ISD) have no less than two trained MAC contacts each so as to guard against problems that could occur due to employee turnover. Access within the State of Texas Automated Information Reporting System (STAIRS) is limited to view only until all training requirements have been met.

IMPORTANT: ISDs need to be aware that until such time that a MAC Financial Contact attends the required training, they will be unable to complete and submit a MAC Claim for federal fiscal year 2020.

Please note MAC Overview trainings may be presented at other related training sessions. However, the MAC Overview and Random Moment Time Study (RMTS) trainings do not meet the MAC Financial Training requirement. Mac Financial Training is provided at no charge by the HHSC Rate Analysis Department.

If you have any questions, please contact the MAC Rate Analysts at MAC@hhsc.state.tx.us or at (512) 707-6069.
