

August 14, 2009

Distributed via Fairbanks E-mail To ISDs Participating in MAC

NOTICE

The Health and Human Services Commission (HHSC) has developed a new Medicaid Administrative Claiming Program Operating Plan (MAC POP) template that will facilitate the submission process for the districts. This notice is to inform you of the following MAC POP updates:

- The MAC POP is open-ended beginning Federal Fiscal Year (FFY) 2010
- Once a MAC POP FFY 2010 has been completed, updates will only be necessary as program contacts change and will only require the “District Contact Information” page be updated and submitted to our office
- The MAC POP is due on September 15th

Please note if the MAC POP is not received by September 15, 2009 your district will not be eligible to submit a claim for reimbursement for the First Quarter (October – December 2009). If the MAC POP is submitted on or after September 16, 2009, your district may be eligible to submit claims for subsequent quarters based on the date the MAC POP is received. If you have questions or concerns regarding the MAC POP, please send an email to MAC@hhsc.state.tx.us

Select the link below for the MAC POP template
