1. Baseline data must be added after the first year of the payment arrangement

2. If state-developed, list State name for Steward/Developer.

3. If this is planned to be a multi-year payment arrangement, indicate which year(s) of the payment arrangement that performance on the measure will trigger payment.

4. If the State is using an established measure and will deviate from the measure steward's measure specifications, please describe here. Additionally, if a state-specific measure will be used, please define the numerator and denominator here.
