**Note 1:** Recommended rate increase is based on the current medical inflation due to increasing supply and/or staffing costs.

**Note 2:** Estimated total to fully fund in listed topic includes Evaluation and Management (E&M) procedure codes blended with RVU/Conversion factor rates.

**Note 3:** Included Detail Financial Arrangement Code 10 (Long Term Care Services) into the PCS set.

**Note 4:** Estimated Costs for 2024-2025 may be lower due to decreased utilization and/or projected utilization.
