Random Moment Time Study (RMTS)

Federal Fiscal Year 2022

(October 2021 to September 2022)

Participant List Closing Reminder #3

Please remember that the federal fiscal year 2022 (October 2021 to September 2022) fourth quarter PL closing date is **June 15, 2022**.

The RMTS Contact must update/certify the PL prior to this closing date. The PL can only be accessed by a RMTS Contact who has completed the HHSC mandatory annual training requirements.

If your entity certified a PL for the previous quarter, that PL information has been carried over to the PL for the current quarter. The RMTS Contact must ensure that any necessary changes, additions or deletions are entered. Even if there are no changes, the PL must be updated/certified prior to the closing date using the "no change" option.

Once the PL closes on June 15th, you will not be able to make any other changes for the 4th quarter of FFY 2022. It is important to remember that for a position to be included on the MAC claim it must first be included on the PL.

If the current PL is not updated/certified, it will cause the entity to become ineligible to participate in the Medicaid Administrative Claiming (MAC) program for the quarter.

If you have any questions, please contact the Texas Health and Human Services Commission (HHSC) Time Study Unit at Timestudy@hhs.texas.gov or at (737) 867-7794.
